

the ordering is strict in 8 of the 9 route-by-risk cells: at 0.1, Gemini 3 Flash is at 100% against both Always Unsafe and Cond. Unsafe, and two cells with no room above them cannot be put in an order. Cond. Safe opens Safe and then mirrors, so it played Unsafe on 55% (G3 Flash), 53% (GPT-5.4), 43% (Sonnet 5) of its own moves.

paired inside a repetition, so the horizon draw cancels;
all nine are positive, smallest lower bound +35.8 pp

a self-play arm on the 100% boundary makes its distance a lower bound: G3 Flash at 0.1 (9 of 10 races)
